Welcome to Sam Houston State University! We are honored that you are considering coming to SHSU as an exchange student. Please use this website as a guide to get you through the (sometimes) complicated process of applying to SHSU, getting your I-20 sent to you, registering for classes, finding housing, turning in the Proof of Meningitis Vaccination Form, and paying fees.

*Before beginning the exchange application process, please ensure that you are not a US citizen. US citizens cannot study at SHSU under the auspices of an international exchange program. No exceptions will be considered.

*If you are a graduate exchange student, please understand that there will be additional steps related to academic requirements that are necessary to complete. These steps can lengthen the overall application process.
